

Addams PTA

# Reflections

### What is the PTA Reflections Program?

- The purpose of the program is to encourage students to develop their talents in the arts and give them an opportunity to express themselves and explore their talents.
- Students must create an original piece of work inspired by the theme. Each piece must be the original work created by one student.
- Students can bring the theme to life in any of six categories: Dance, Film, Literature, Photography, Musical Composition, and Visual Arts.

**Submissions due:** October 28, 2020 to Addams Main Office
