Google | CS First

At the Addams Coding Club, we're teaching **Google CS First Game Design** to your child. Students will use their current district assigned Chromebooks to complete the coding lessons.

Google CS First is a free program that increases student access and exposure to computer science (CS) education. This program includes Game Design, in which students learn basic video game coding concepts by making different types of games, including racing, platform, launching, and more using block-based coding language called Scratch.

The Coding Club will meet in Room 209 after school on the following dates from 2:20 - 3:50.

Tuesday Afternoons:
- Sept. 13th
- Sept. 20th
- Sept. 27th
- Oct. 4th
- Oct. 11th
- Oct. 18th

Thursday Afternoons:
- Sept. 15th
- Sept. 29th
- Oct. 6th
- Oct. 13th

If you have any questions, feel free to contact me.
