

“ADDAMS GOT TALENT”

Jane Addams Junior High School is hosting a variety show this year!!! We are looking for students who have a special talent that they would like to perform for their classmates, parents and staff. We will have anywhere between 15-20 acts that showcase dancing, singing, rapping, magic tricks, comedy, playing instruments, cheer, gymnastics, juggling, etc. Acts will be no more than 3 minutes in length so prepare accordingly. We are also looking for students to share their skills behind the scenes as well, either with lighting, running the music or even students to Emcee/Host the show.

Auditions will take place on Thursday, April 25, 2024 from after school until 5:00 p.m. (you will need to arrange rides ahead of time). Make sure you have practiced and are well prepared before your audition because you will only have ONE chance to perform for the judges (ex: have your music, props, etc. with you on that day).

If you qualify for one of the 15-20 available acts you will need to be able to practice after school in April and May until 4:00 p.m. (we will give you a schedule).

Please have your parent and/or guardian fill out the lower section and return your permission slip to Ms. Heidler (in the Guidance Office) by **Monday, April 22, 2024.**
