

CHAIN REACTION 2025

Do you love solving problems? Can you think of creative ways to use random objects? Chain Reaction Club might be for you!

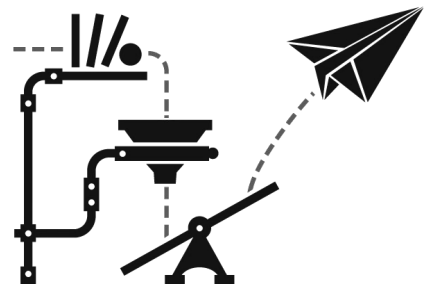

Chain Reaction is a club that designs a "complicated" machine to make something simple happen.

It culminates with a district-wide competition on March 1st at Hoffman Estates High School.

This year's theme is: **Wrap a Present**

Our meeting times will be:

Thursdays- January 9th, 16th, & 30th
Thursdays- February 6th, 13th, & 20th
Monday- Friday - February 24th - 28th
Saturday, March 1st
