| May 20 | Tuesday | * 7th grade District 54 Conference Meet Rain Date May 23 | at Eisenhower 3:15 start |

*Conference Meet

Parents are invited to support the athletes by attending the meets. Running events are held on the track. Field events will be held around the school grounds. Check with your child or one of the officials for these locations.

Buses are provided to and from all meets, except the D54 conference meet at Conant H.S.. Students should return to school on the team bus unless **prior** arrangements have been made with the coach by the parent/guardian. If students leave with their parents, they must report directly to their coach before they leave. Students are responsible for their own transportation home from the school after the meets. Track meets normally take about two and one half hours, although this time can vary widely depending on circumstances. Use this time to determine when the team should return to Addams, allowing time for the return ride from the meet.

Please be on time picking up your child. Students who are not picked up promptly will not participate in future meets or asked to leave the team.
