**Your Parent/Guardian must be the one who completes the  
registration through their Infinite Campus -  
This cannot be done by a student.**

In order to tryout for Cheer or Poms, students must have an **up-to-date  
sports physical turned in to the nurse.**

After the registration on IC has been submitted, students will be  
added to a Cheer/Poms Tryout Google Classroom  
which will have additional tryout information!

We encourage students interested in joining Cheer to sign-up/attend  
**both clinics.** This way, if students do not make the cheer team they still  
have the opportunity to try out for Poms.
